Vol. 74, No. 20

Westland City Council members unanimously approved a contract with the Michigan Department of Transportation for improvements to Newburgh Road from Cherry Hill Road to approximately 400 feet north of Ford Road.

See page 6.

Canton to reopen Summit Aquatic Center June 1

The patience of Canton Township residents during the COVID-19 pandemic could be rewarded as soon as June 1.

Officials tentatively plan to reopen the Aquatic Center at the Summit on the Park June 1. While the scheduled date is contingent on a number of factors and is subject to change, officials said they are reasonably confident that they are on track to open the pool as planned with COVID-19 safety protocols and limited capacities in place.

Due to COVID-19 precautions and facility renovations, the popular Summit on the Park amenity has been closed since March 2020. Renovations to the facility roof have now been completed and preparations are under way to reopen with safety as a top priority.

"Our staff has continuously monitored state and local COVID-19 guidelines and information throughout our closure, so that we can reopen our Aquatic Center as planned in the safest manner possible," said Daniel Sullivan, Summit on the Park aquatics specialist. "We recognize that many members are very eager to again have access to our aquatic center and we would like to thank them for their continued patience and support of the Summit on the Park."

Phase one of the re-opening plan will include therapy pool use and lap lane swimming, which will be limited to one person per lap lane for a one-hour block and will be available by appointment only. There is no fee associated with reserving a lane for Summit on the Park members. Lap lane reservations can be made online one week in advance at www.summitonthepark.org. Patrons using the pool must wear a face mask when inside the facility up until entering the water.

Aquatic Center hours will shift to a block schedule to allow staff more time for cleaning of handrails and high-touch surfaces, officials noted. Summit staff will continue to be vigilant in facility maintenance and sanitization, they added.

Future re-opening phases will include the addition of open swim times, as well as swimming lessons.

The 13,340 square-foot Aquatic Center is home to a five-lane, 25-yard lap pool, zero-depth leisure pool with play features, lazy river, and slide.

The Summit on the Park is located at 46000 Summit Parkway For additional information visit www.summitonthepark.org or call (734) 394-5460.

Order in the court

Communities celebrate ribbon cutting at new 34th District Courthouse

Court is now in session, sort of.

Officials from the area celebrated the official dedication of the new 50,000 square foot 34th District Court in Romulus last Monday, although many court procedures are still being handled electronically due to pandemic restrictions.

The court serves the host city of Romulus, as well as the City of Belleville, Van Buren and Sumpter townships and Detroit Metro Airport. The court also handles week-end arraignments for Wayne County and some 149,000 people visit the facility each year.

In announcing the dedication during the regular city council meeting last Tuesday, Burcroff said this major undertaking had really been a team effort with all those involved.

"This was a long-time in coming and COVID slowed things down," he told the council members. "There are so many people to thank for all their hard work on this."

> *I think it is important for the Romulus residents to know how blessed we are to host the courthouse*

Burcroff singled out Building and Safety Director Bob McCraight for his work on the project and said "This is a success because of Bob's help." Burcroff added that the project success was due to the hard work of everyone involved including the city legal and financial departments, the construction and development contractors, the judges at the court and the court staff.

"I think it is important for the Romulus residents to know how blessed we are to host the courthouse," he said. "I am looking forward to moving forward," he added.

The new courthouse, almost twice the size of the previous 26,000 square-foot facility built in 1974, is considered "state of the art" by Partners in Architecture, the firm chosen to design and oversee construction at the two-story, four-courtroom building. A spokesman from the company said the new building prioritizes safety and security through the separation of public, semi-secure and secure spaces.

Diverse input helped design the new facility, including the needs of the court staff, judges, administrators, department leaders and user groups.

The existing court building remained operational utilizing remote capabilities during the pandemic and construction of the new courthouse.

The new building includes security screening of visitors at the entrance before individuals proceed to either the transaction counter or the three primary courtrooms and magistrate serving civil, traffic, criminal and probation departments at the court.

The new building features terrazzo flooring and wood trim to ensure that the stature and importance of the court environment is protected.

Costs for the new court, estimated at $20 million, were not paid by municipal taxes, authorities stressed, but by court fees and bonding. About five years ago, the court began assessing a $20 fee per traffic ticket or infraction which was dedicated to the anticipated debt reduction of the bonds used to finance the project. The City of Romulus, as the host community, issued the bonds. "There will be no cost to taxpayers unless they are cited for a ticket," city officials said in a prepared statement.

The new building is located on the municipal campus on Wayne Road where Romulus City Hall and the library are also situated.

Canton

Trustees seek more information on lawn contract

Canton Township officials opted to seek more information before awarding the annual contract for lawn moving services in the municipality.

The vote on the $44,000 contract was planned for the May 11 meeting of the board of trustees, but was delayed when officials requested more information regarding the scoring used in the bidding process and vendor qualifications.

"Can I honestly say this is the right vendor?" asked township Clerk Michael Siegrist during the meeting. Trustees Kate Borninski and Tania Ganguly also expressed concern that they were being asked to vote on the contract May 11 with incomplete information.

Director of Leisure Services Greg Hohenberger suggested including the scoring system details in the trustees' meeting packets but not in those distributed to the press or public. Hohenberger noted that any added information sought could be obtained through a Freedom of Information Act request.

Hohenberger said a two-week delay would mean, "It's a considerable amount of work for us to do," cutting lawns at municipal property. Trustees compromised on the one-week delay to seek more information prior to an official vote.

> *Trustees compromised on the one-week delay to seek more information prior to an official vote.*

Trustees agreed to reconsider the contract next week.

In other business, trustees OK'd a $150 annual fee for mobile food vending, which is licensed in Canton.

"Does it (the fee) cover all those different places where a mobile food unit could land?" such as a parking lot, inquired Trustee Steven Sneideman.

A Leisure Services event could require that vendors pay an additional fee, Siegrist explained. He said at the meeting only public sale of food is covered by the $150, not, as an example, a privately catered graduation party.

Canton trustees also unanimously agreed to a professional assessment of compliance with the American with Disabilities Act at both Independence and Griffin parks. Those assessments will be performed by Great Lakes Recreation at a fee of $52,251.42.

In addition, trustees approved an expense of $27,750 to be paid to Gold Star Commercial for siding at the Fellows Creek Club House.

Annual Mother-Son Dance returns to Canton Saturday

Moms, aunts, and grandmothers can treat the special young men in their lives to an afternoon of fun and dancing at Canton Leisure Services Annual Mother/Son Dance on Saturday, May 22.

Spots are still available for the 1-3 p.m. dance, which will take place at the new Preservation Park outdoor pavilion and the Cady-Boyer Barn, located at 500 N. Ridge Road. The 4:30-6:30 p.m. dance timeslot is currently filled to capacity.

"We are so happy to be able to offer this annual tradition that helps create special memories between young boys and the special women in their lives," said Laura Mortier, Canton recreation specialist. "Plus, participants will be able to have a good time outside under our new Preservation Park Pavilion, especially with our Beach Party theme."

> *We are so happy to be able to offer this annual tradition that helps create special memories...*

Light refreshments will be available, as well as the popular balloon-drop finale. Souvenir photos may also be purchased for an additional fee at the dance. Advance ticket purchase is required for all ages and space is limited to the first 125 guests per timeslot. Tickets are currently on sale at www.cantonfun.org.

Tickets are $11.50 per person for Canton residents and $14.50 per person for non-residents. These special dances take place outdoors and will feature a "Beach Party" theme, so participants are encouraged to dress the part. High heels are not recommended since this is an outdoor function.

In the event of inclement weather, the dances will take place June 5.

For additional information or to purchase tickets for the Annual Mother/Son Dance, visit www.cantonfun.org or call (734) 394-5460.

Family tradition

Assistant Canton Township Clerk Anthony Essmaker administered the oath of office for new township firefighter Zachary Sprys-Tellner, prior to his badge pinning performed by his father, Greg Sprys-Tellner. The elder Sprys-Tellner is a retired deputy chief of the Canton Fire Department, making the event even more special, the pair agreed.

PUBLIC NOTICE

Date: May 13th, 2021
Permit No.: MI0059968
Designated Site Name: Canton Twp MS4-Wayne

The Department of Environment, Great Lakes, and Energy (EGLE), Water Resources Division (WRD), proposes to reissue a permit to Charter Township of Canton for the Township of Canton Municipal Separate Storm Sewer System located in Wayne County, Michigan 48188. The applicant discharges storm water to the surface waters of the state of Michigan.

The draft permit includes the following modifications to the previously-issued permit:
This individual permit supersedes Certificate of Coverage No. MIG610002.

Copies of the permit application, public notice, and draft permit may be obtained via the Internet at https://miwaters.deq.state.mi.us (select 'Public Notice Search,' enter the permit number into the search field, and then click 'Search'), or at the WRD's Warren District Office located at 27700 Donald Court, Warren, MI 48092-2793, telephone: 586-753-3700.

Persons wishing to submit comments or request a public hearing should go to https://miwaters.deq.state.mi.us, select 'Public Notice Search,' search for this public notice by entering the permit number into the search field, click 'Search', click 'View,' click 'Add Comment,' enter information into the fields, and then click 'Submit.' Comments or objections to the draft permit received by Thursday, May 27th, 2021, will be considered in the final decision to issue the permit, as will comments made at a public hearing should one be held by the Department on the draft permit.

Any person may request the Department to hold a public hearing on the draft permit. The request should include specific reasons for the request, indicating which portions of the draft permit constitute the need for a hearing. If submitted comments indicate significant public interest in the draft permit or if useful information may be produced, the Department may, at its discretion, hold a public hearing on the draft permit.

If a public hearing is scheduled, public notice of the hearing will be provided at least 30 days in advance. The hearing will normally be held in the vicinity of the discharge. Inquiries should be directed to Bradley Popovich, Permits Section, WRD, EGLE, P.O. Box 30458, Lansing, Michigan 48909-7958; telephone: 517-284-6656; or e-mail: PopovichB@michigan.gov.

SUMPTER

Forgotten Harvest coming to Sumpter Township

Despite concerns expressed by Trustee Peggy Morgan, Forgotten Harvest will be coming to Sumpter Township to provide services to residents.

Morgan first suggested allowing Forgotten Harvest to use township facilities to distribute food and other items to residents at a meeting of the board members earlier this year. At a subsequent meeting, however, she claimed that the group had adamantly refused to utilize the township facilities due to the conduct and "attitude" of a township employee when Forgotten Harvest leaders visited the township. Morgan told the board members that the unnamed employee displayed an uncooperative attitude during the visit which prompted the group to abandon plans to come to the township.

In response to Morgan's allegations about the employee, Trustee Matt Oddy requested that Supervisor Tim Bowman investigate the situation and contact the Forgotten Harvest representatives. He and other trustees also suggested to Morgan it was inappropriate to discuss the conduct of an employee at a public meeting.

At the meeting this week, Oddy said that the supervisor's contact had resulted in an agreement from Forgotten Harvest to come to the township.

"They are excited to come here and provide service to residents," Oddy said. "Kudos to the supervisor's office for getting that to happen. They (Forgotten Harvest) were looking at other sites, but through the efforts of the supervisor's office, they are coming here."

Morgan claimed she had received a letter from "an employee" regarding the situation and that statements in the letter were untrue. She demanded to know if the investigation by Bowman's office determined that statements she made regarding the situation were not true. She repeatedly claimed that the letter called her "a liar."

> *Did I or did I not lie?*
> *I just want to know,*
> *did your investigation find I was lying or not?*

"I just want to know did you find that I was lying or not," she demanded

Oddy replied that he had read the letter and that he could find no evidence that Morgan had been called a liar by the writer.

Morgan said that she was "thrilled" that Forgotten Harvest was coming to the township but then accused Oddy of calling her a liar. She asked if the investigation and the letter from the employee was the "end of it. That's it? No apology. Did I or did I not lie? I just want to know, did your investigation find I was lying or not," she demanded.

"The only apology should come from you," Oddy replied. He then reminded Morgan that incorrect accounts of his comments had recently been printed in a local paper accusing him and the board of attempting to "shut you down."

"That was not accurate. I received the floor from the chair. Nowhere did I ever call you a liar," he said. "Nobody tried to shut you up."

Trustee Don LaPorte suggested that the last few board meetings had deteriorated into personal agendas.

"Mr. Supervisor, you have mended fences. If somebody got their feelings hurt, suck it up and let's move on. The community is being taken care of."

Morgan continued to protest and speak over other board members, prompting Bowman to remind her of her disrespectful conduct toward him at the last meeting.

"When I call for order, you shouldn't continue to speak over me," he said.

Morgan repeated her claims that the board members were attempting to stifle her and did not want her to speak.

"If you don't want me to speak, then read it in the paper," she said.

Trustee Tim Rush cautioned Morgan that while she has the right to speak, she approved the compliance with and agreed to Roberts' Rules of Order for procedures at the meetings.

"We have to move meetings along in an orderly and efficient manner. You need to learn what censure means," he said.

Promotion of 2 veteran police officers approved by trustees

The promotions of two members of the Sumpter Police Department were unanimously and enthusiastically approved by members of the township board of trustees during a meeting last month.

Public Safety Director Eric Luke requested approval for the promotion of Lt. Patrick Gannon, a 29-year veteran of the force to the rank of captain. Gannon has been a lieutenant with the department for the past six years. He continues as the second-in-command in the department, Luke said.

Luke also announced the promotion of Sgt. John Toth to the rank of detective lieutenant. Toth has been in charge of the township detective bureau for the past four years and will continue in that position with his new rank, Luke said. Toth has been with the Sumpter Police Department for 21 years.

Members of the board praised both the officers noting that the promotions were "long overdue." Several members of the board spoke highly of the officers' performance and contributions to the township. Also in favor of the action was township attorney Rob Young who told the trustees, "the chief has made a great decision."

Young spoke candidly about the officers noting that Gannon is "great guy to work with.

"I can't think of a better guy," Young said.

The attorney also spoke about Toth's dedication to his job and the community.

"I know his commitment to the township and his loyalty to the citizens," Young said.

The motion to approve the promotions was approved unanimously.

Det. Lt. John Toth

Capt. Patrick Gannon

CHARTER TOWNSHIP OF CANTON
ACCESS TO PUBLIC MEETINGS

The Charter Township of Canton will provide necessary, reasonable auxiliary aids and services to individuals with disabilities at the meeting/hearing upon notice to the Charter Township of Canton.

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the Charter Township of Canton will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities.

Employment: The Charter Township of Canton does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under Title II of the ADA.

Effective Communication: The Charter Township of Canton will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in the Charter Township of Canton's programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Modifications to Policies and Procedures: The Charter Township of Canton will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. For example, individuals with service animals are welcomed in the Charter Township of Canton's offices, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a program, service, or activity of the Charter Township of Canton should contact the office of Barb Brouillette, Human Resources Coordinator, Charter Township of Canton, 1150 S. Canton Center Road, Canton, MI 48188, (734) 394-5260 as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require the Charter Township of Canton to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service, or activity of the Charter Township of Canton is not accessible to persons with disabilities should be directed to Barb Brouillette, Human Resources Coordinator, Charter Township of Canton, 1150 S. Canton Center Road, Canton, MI 48188, (734) 394-5260.

The Charter Township of Canton will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.

LEGAL SUMMARY
STATE OF MICHIGAN
COUNTY OF WAYNE
CHARTER TOWNSHIP OF CANTON

CHAPTER 18

AN ORDINANCE TO AMEND CHAPTER 18, ARTICLE III, OF THE CHARTER TOWNSHIP OF CANTON CODE OF ORDINANCES TO ADOPT A NEW DIVISION 8 ENTITLED "MOBILE FOOD VENDING"

THE CHARTER TOWNSHIP OF CANTON ORDAINS:

SECTION 1. AMENDMENT TO CODE - DESCRIPTIVE SUMMARY

Chapter 18 of the Charter Township of Canton Code of Ordinances, Article III, entitled "Individual Business Guidelines," is hereby amended to add a new Division 8, entitled "Mobile Food Vending." Essentially this allows for the approval, licensure, and application process for food truck operations or "mobile food vending" operations within Canton Township, as well as penalties for operating without the appropriate Township licenses/permits.

SECTION 3. SEVERABILITY

If any clause, sentence, section, paragraph or part of this Ordinance, or application thereof to any person, firm, corporation, legal entity or circumstances, shall be for any reason adjudged by a Court of competent jurisdiction to be unconstitutional or invalid, said judgment shall not affect, impair or invalidate the remainder of this Ordinance.

SECTION 4. REPEAL

All Ordinances, or part of the Ordinances, in conflict herewith are hereby repealed only to the extent necessary to give this Ordinance full force and effect.

SECTION 5. SAVINGS CLAUSE

All rights and duties which have been mattered, penalties which have been incurred, proceedings which have begun and prosecution for violations of law occurring before the effective date of this Ordinance are not affected or abated by this Ordinance.

SECTION 6. PUBLICATION

The Clerk for the Charter Township of Canton shall cause this Ordinance to be published in the manner required by law.

SECTION 7. EFFECTIVE DATE

This Ordinance shall take full force and effect on June 20th, 2021. - 30 days after the date of publication on May 20th, 2021.

Copies of the complete text of this Ordinance are available at the office of the Charter Township of Canton, 1150 S. Canton Center Road, Canton, Michigan, 48188, during regular business hours or on www.canton-mi.org

CN2235 - 052021 2.5 x 5.347

PLANNING COMMISSION
CHARTER TOWNSHIP OF CANTON
NOTICE OF PUBLIC HEARING

PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE CHARTER TOWNSHIP OF CANTON, WAYNE COUNTY, MICHIGAN.

NOTICE IS HEREBY GIVEN pursuant to Michigan Public Act 110 of 2006, of the State of Michigan, as amended, and pursuant to the Zoning Ordinance of the Charter Township of Canton that the Planning Commission of the Charter Township of Canton will hold a Public Hearing on **Monday, June 7, 2021 at 7:00 p.m.** by electronic remote access on the following proposed amendment to the Canton Township Zoning Ordinance:

AN ORDINANCE AMENDING APPENDIX A - ZONING, OF THE CODE OF ORDINANCES OF THE CHARTER TOWNSHIP OF CANTON, MICHIGAN, BY AMENDING ARTICLE 8.00 - AMENDING THE DISTRICT BOUNDARIES ON THE ZONING MAP AS FOLLOWS:

JS3 INVESTMENTS, LLC REZONING - Consider request to rezone parcel no. 050-99-0009-003 at 2100 N. Haggerty Rd. from C-4, Interchange Service and Central Business District (CBD) Overlay to C-3, Regional Commercial and Central Business District (CBD) Overlay. Property is located on the east side of Haggerty Rd., south of Ford Road.

To mitigate the spread of the COVID-19 pandemic, protect the public health, and provide essential protections to Canton Township residents, the Canton Township Planning Commission will conduct its meeting on Monday, June 7, 2021 at 7:00 p.m. by video teleconference in accordance with Michigan law.

Public comments may be submitted to patrick.sloan@canton-mi.org at any time prior to the meeting. Additionally, written comments addressed to the Planning Commission should be received at the Township Administration Building at 1150 S Canton Center Rd., Canton, MI 48188 by 4:30 p.m. on Monday, June 7, 2021. The Secretary or staff will read comments submitted within the Rules of the Planning Commission during the meeting. Members of the public who attend by telephone or video may address the Planning Commission during the public hearing period via videoconference.

Individuals may join the video teleconference by going to:

Church celebrates partnership with Salvation Army

Two mainstays in the Plymouth community are celebrating a decade of cooperation this year.

A relationship between The Salvation Army and NorthRidge Church in Plymouth made perfect sense when it began more than 10 years ago - and is even stronger toda, a spokesman said. NorthRidge consistently donates food to the pantry at The Salvation Army Plymouth Corps Community Center and to the Bed & Bread program.

Beth Harris, the church outreach coordinator, manages the team of 130 people who regularly volunteer for The Salvation Army.

"We used to hold food drives at our church years ago, but we realized that The Salvation Army was better equipped to address the need in the community," Harris said. "Our volunteers are very familiar with food pantries and distributing food boxes, so that's a big reason why we continue to support and volunteer with The Salvation Army in this way."

When the COVID-19 pandemic first started spreading across southeast Michigan in March 2020, volunteers from NorthRidge provided aid to address hunger, packing food boxes at The Salvation Army warehouse - which helped jumpstart the first phase of the nonprofit food box distribution services.

"The generosity of The Salvation Army stood out to me when I was at the warehouse at the start of the pandemic," recalled Harris. "It's nice to know that you are a refuge for people in need; The Salvation Army is a reassuring presence in our community. If we come across someone in need of food assistance, we know we can confidently send them to The Salvation Army, knowing they'll be taken care of."

NorthRidge Church also assists The Salvation Army in the anti-human trafficking efforts of the organization, donating money to the program and providing care kits for survivors. "We want to love people and further God's kingdom, and we love working with organizations that align with that goal," Harris said.

April 2021 was designated as Volunteer Month and The Salvation Army Eastern Michigan Division recognized, celebrated and thanked volunteers for their commitment, dedication and support to help Do The Most Good, a leader of the organization said.

GoFundMe site set up for fire department Explorers' program

The Explorer Program of the Northville Fire Department is feeling the effects of the COVID-19 pandemic.

The City of Northville Fire Department has hosted an in-house youth Explorer Program for 27 years, providing a safe environment for boys and girls ages 14-20 to learn basic skills and training that help them launch careers in the fire and Emergency Medical Service. Explorer Post 1717 is funded almost entirely by private donations and fundraising events and effort which usually take place all year in an effort to pay for the program safety gear and equipment.

Due to the COVID-19 pandemic, fire officials said, the 2020 fundraising effort ground to a halt, and Post 1717 turned to a different way to raise funds. A GoFundMe online fundraiser has been established and the firefighters are seeking donations for the purchase of new firefighting safety gear and equipment for the program. Any amount is appreciated, they stressed.

> *"With help from the community, we can continue to train the next generation of firefighters.*

Matt Zmuda, an area firefighter and volunteer advisor to the Explorers, noted that the program has been utilizing secondhand and out-of-date protective 'turn out' gear donated by various fire departments for many years. All protective equipment has a limited time it can be used safely and effectively.

"New gear will allow us to conduct activities and training for the Explorers in a safer manner. With help from the community, we can continue to train the next generation of firefighters and emergency medical technicians," he said.

For more information, visit the Post 1717 Facebook page, the city website, or call (248) 449-9902.

Local Farmers' Market is now open in Northville every Thursday

The Northville Chamber of Commerce Farmers' Market is open from 8 a.m. until 3 p.m. every Thursday, featuring local growers and food vendors.

"Opening day was great. Everyone and everything cooperated - the vendors, the customers and the weather," said Jody Humphries, executive director of the chamber.

The Farmers' Market has local seasonal offerings by Michigan growers and vendors. Crafters will return once the COVID safeguards are eased, Humprhries said. There are plenty of flowers, produce, honey, baked goods and more, depending on the season, she added.

The market is located in the lot on the corner of Seven Mile Road and Center Street, across from Northville Downs. Parking is on site and in the Downs parking lot.

Similar to last year, market goers should maintain a physical distance of 6 feet from the vendors and other shoppers, and wear a mask.

Follow the Northville Farmers Market on Facebook for the latest updates.

INKSTER - ROMULUS

'Clean Sweep' set for Saturday in Romulus

Romulus officials have taken spring cleaning seriously.

May has been declared "Romulus Spring Cleaning" in a continued effort to create a sustainable local environment and beautify the community, they said. To encourage residents to do their part in keeping the community clean, city departments have launched several free events and activities, including: Free Dumping Days: Romulus residents with large quantities of bulk items can dump those items for free at the Romulus DPW South Lot on 12600 Wayne Road. Free dumping is available from 8:30 a.m. until 3 p.m. today, May 20 and tomorrow, Friday, May 21 and Saturday, May 22. For more information, call (734) 942-7579.

The annual city Clean Sweep will take place from 9 a.m. until noon this Saturday, May 22 at the Historical Park Pavilion located at 36095 Goddard Road. Supplies will be provided. For more information, call (734) 942-7571.

"Even the smallest tasks, like spending an hour outside on a nice day picking up trash, can go a long way in the beautification of our community," said Romulus Mayor LeRoy Burcroff. "We all have a role to play in ensuring Romulus remains livable and viable for years to come. We look forward to seeing our residents from a safe distance at the beautification events scheduled this month."

> *We all have a role to play in ensuring Romulus remains livable and viable for years to come.*

Declaring "Romulus Spring Cleaning" is part of a continued effort by the city to make Romulus a clean and attractive place to live, work and visit, officials said. The city is also launching a toolkit of materials that residents and local organizations can use to conduct clean-up efforts on their own. To encourage residents to participate in "Romulus Spring Cleaning" month, the city is hosting a Facebook challenge that calls on residents to post photos of their neighborhood clean-ups. To participate in the challenge, residents should use the hashtag #RomulusSpring Cleaning when posting their pictures to Facebook.

Council OK's lease of new rescue ambulance

Members of the Romulus City Council unanimously approved the lease of a new ambulance for use by the fire department.

The lease, for a total cost of $209,902 during four years, will include a power lift load system, officials said, which will reduce risks to firefighters when loading patients into the ambulance, and a stretcher.

"With the power lift load system, the firefighters don't have to lift patients, the lift connects to the stretcher," a fire department officials explained.

The lease will begin with the first payment in May of 2022 at 2.4 percent interest and at the end of the lease, the city will own the vehicle. The city currently has three rescue vehicles, two purchased in 2004 and then refurbished in 2014.

"The refurbishing was a Band Aid to get us through. We knew it would only last two to three years," explained Deputy Chief Kevin Krause. The city purchased an ambulance about two years ago, allowing the department to take one of the refurbished units into a standby mode. With this fourth vehicle, one of the refurbished units will be retired into reserve status. Department officials hope to purchase another ambulance next year, Krause noted.

Currently, the Romulus Fire Department provides transport to hospitals of non-critical patients while relying on an outside service to provide Advanced Life Support and transport of critical patients. With the new ambulances in place, Krause said, the department is moving toward being able to transport all patients as part of the emergency service the city provides.

> *The refurbishing was a Band Aid to get us through. We knew it would only last two to three years.*

Home vaccinations available

Inkster residents unable to travel to one of the local clinics for a COVID-19 vaccination have help as near as their phone.

Wayne County is providing home-vaccinations for the elderly, home-bound or those who lack transportation. The home-bound program is part of Wayne County Executive Warren Evans' ongoing effort to increase inoculations for COVID for those residents who want to be protected from the illness.

> *Currently, the program is open to those ages 16 and older.*

Inkster residents need only call (313)561-2650 or (313) 561-2382 to schedule an in-home vaccination provided by a health care professional.

Currently, the program is open to those ages 16 and older.

It's official

Romulus Police Chief Robert Pfannes, far right, officially welcomes the newest member of the police department, Ofc. Colin Dillon. Dillon is a recent graduate of Ferris State University and is a second-generation law enforcement officer.

Transfer of teachers prompts protest march

Teachers from the Wayne Westland Community Schools and members of the Michigan Education Association joined in a protest march May 14 outside both Edison and Elliot schools.

Union activists are claiming unfair labor practices by the district administration and the protesters claim that teachers are being "strong armed" at Edison and Elliot into switching grade levels with little to no preparation and no union conversations.

State Reps. Kevin Coleman and Jewell Jones both briefly joined the protest demonstration during the afternoon. Coleman said the turnout among teachers was strong and that horns were honking in support from area residents and added, "They made a statement that the administration needs to work with the teachers and not against them."

In a prepared statement, the district responded to the protest, stating, "We are aware that members of the teachers' union have engaged in their right to assemble in front of some of our school buildings. It is our understanding that they are not in agreement with the grade-level teaching assignments for a limited number of elementary teachers for the 2021-22 school year.

"Importantly, none of the affected staff have been terminated, demoted, or otherwise impacted, other than receiving a new grade assignment for the upcoming school year. There is no financial harm to any teacher who has been reassigned to a different grade level. All staff will remain in their same buildings and will be assigned to teach a grade they are certified to teach through the Michigan Department of Education," the statement continued.

"Staffing and grade assignment decisions are made in the best interest of our students using a wide variety of factors, including teacher certification, student enrollment numbers, and student achievement data. The reassigning of teaching staff is something that happens every year. As always, the district's chief priority is cultivating a learning environment that facilitates and fosters student success and growth. The district remains focused on that mission," the district statement concluded.

WAYNE-WESTLAND Teachers Deserve Respect!

Repairs to Newburgh Road are approved by city council

Area motorists will have a much smoother trip down Newburgh Road this fall.

Members of the Westland City Council unanimously approved a contract with the Michigan Department of Transportation (MDOT) May 3 for improvements to the road which will include the area from Cherry Hill Road to approximately 400 feet north of Ford Road.

The project will include the milling of existing asphalt pavement, repairing concrete base, resurfacing with 2 inches of new asphalt including curb repairs and Americans with Disabilities Act compliant ramps and all other necessary related work.

The total cost of the project is $1,477,175 with an estimated $268,108 to be paid by Westland.

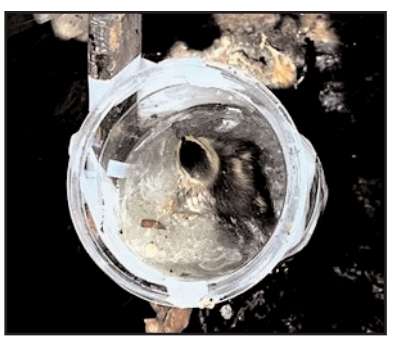
The remaining funding will be paid by MDOT.

The project is slated to begin in June and should take approximately three months to complete, according to officials.

Additional major roads projects slated for this construction season include: Wayne from Ford to Warren (Wayne County project) ; Venoy Bridge to Grand Traverse (Wayne County project); Manufacturers and Enterprise Drive, servicing the Cherry Hill Industrial Park ; John Hix and Florence, north of Cherry Hill; Superior Parkway from Cherry Hill to Huron Parkway ; Yale Street from Hunter to Warren; Carlson from Palmer to Canyon; Grand Traverse Resurfacing (phase 1) from Glenwood to Belding ; Palmer sidewalk from Hambelton to Christine and pavement markings throughout the city, officials said.

Life savers

Members of the Westland Public Safety Department responded to an unusual, but frantic, call for rescue last week when a resident noticed that a mother duck had lost her entire brood to the holes in a sewer grate. Trying to waddle across, the grate had swallowed the tiny ducklings who were frantically quacking for help. Officers arrived on the scene and took meticulous care to bring all 12 of the newly-hatched ducklings to ground level for a reunion with their ever-patient and grateful mother.



Memorial Day parade is planned

There will be a Memorial Day parade in Westland to celebrate and remember veterans of all armed services.

According to Vic Barra who is organizing the event, the parade is a tribute to "the men and women who have made the ultimate sacrifice for our freedom, while we continue to honor the many veterans who have courageously served our country. We gather to support and applaud their service to our nation and community," he said.

The parade will start at 1 p.m. May 30 beginning at John Glenn High School in Westland; travel west on Marquette Road to Carlson; head north on Carlson to the Westland William P Faust Public Library. The march will end at the Veteran's Memorial Garden in Westland.

A small ceremony will take place at the Veteran's Memorial Garden at the end of the parade to pay homage to those fallen men and women that sacrificed their lives in our names, Barra said.

Any organization interested in participating in the parade should fill out the online participation request form on the City of Westland website. For information, or to register by phone, call Barra at (734) 793-9309.
